

## **JUNE 28, 2017**

# **COMPOST AND SOIL HEALTH SEMINAR**

ACN and Natures Best are hosting a summer seminar from 10:00 AM – 2:00 PM with meal provided. We will focus on soil biology and how compost is a superior fertilizer source for your soils and crops. We will also talk about Bio Empruv and the continual battle with Goss's Wilt. Following meeting we will have tours at Bar K compost site by Inwood Feedlot.
