

FOLI-R-PLUS™ BULK-R

Complexed with Organic and amino base

GUARANTEED ANALYSIS:

Soluble potash (K₂O).....5%

PLANT NUTRIENT SOURCES:

Potassium glucoheptonate.

BULK-R TECHNOLOGY:

BULK-R contains natural fermentation stimulants, protein and enzyme precursors, and microbial metabolites.

BULK-R PRODUCT INFORMATION:

- An advanced generation of plant nutrients complexed with organic and amino base to enhance nutrients availability and uptake by the plants.
- Contains natural growth promoters, enzyme precursors, and nutrients essential for fruit bulking and growth. Also contains organic compounds to stimulate root growth.
- Super water-soluble plant nutrients for efficient crop use without chloride salts that can be toxic to plants.
- Provides nutrients in a readily available form.

Caution: Keep Out of Reach of Children

DIRECTIONS FOR USE:

BULK-R plant nutrients are recommended for use on all plants. **BULK-R** is intended to supplement and enhance a full fertilization program as recommended in accordance with reliable Soil and Tissue Analysis. **BULK-R** provides a source of immediately available nutrients but will not, by itself, provide all necessary nutrients required during the growing season. **BULK-R** is designed for foliar application and for injection through chemigation and sprinkler systems.

Sprinkler or Pivot Irrigation: Apply at the rate of 1-2 gal/acre with irrigation water. Inject **BULK-R** half an hour before end of irrigation cycle.

Foliar Application: Apply the recommended amount of **BULK-R** in at least 10 gallons water per acre.

Aerial Application: Apply the recommended amount of **BULK-R** in at least 8 gallons water per acre.

Potatoes and Sugar Beets: Apply 1-2 gal/ acre at or within a month of row closure.

Row Crops: Apply 1 Gal/acre at early filling stage.

Field and vegetable crops: Apply at the rate of 1gal/acre at post-bloom or early fruiting. Repeat as needed.

Compatibility: **BULK-R** is compatible with most fertilizers and registered pesticides. However, compatibility jar test and small plot test is recommended before large-scale treatments are started. Always refer to products label.

IMPORTANT NOTICE TO PURCHASER: Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price, or to replace the quantity purchased, of any defective product. In no event shall Seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this fertilizer material expressly acknowledges and agrees to these terms.
