## **DIRECTIONS FOR USE:**

**FOLIAR BIOLOGY BOOST** plant nutrients are recommended for use for all plants. **FOLIAR BIOLOGY BOOST** is intended to supplement and enhance a full fertilization program as recommended in accordance with reliable Soil and Tissue Analysis. **FOLIAR BIOLOGY BOOST** provides a source of organic matter but will not, by itself, provide all necessary nutrients required during the growing season. **FOLIAR BIOLOGY BOOST** is recommended for use on all soils. Apply **BIOLOGY BOOST** early in the season, preferably as a seed treatment.

**Foliar Application:** Apply at the rate of 1-6 OZ per acre. Repeat if necessary.

**In Furrow at planting:** Use 1-6 OZ/acre in sufficient water and apply at planting. Treat the seeds by applying banded spray or trickle on the seeds while the furrow is open, so the seeds are in contact with the product.

### **SEED TREATMENT:**

**Grain Crops:** Use 1-6 OZ/acre to treat 20-100 lbs of seeds. Dust the material on the seeds while mixing.

**Compatibility:** **FOLIAR BIOLOGY BOOST** is compatible with most fertilizers (including phosphates). However, compatibility jar test and small plot test is recommended before large-scale treatments are started. Always refer to products label. **TANK MIXING** Fill the tank with half the water, add **FOLIAR BIOLOGY BOOST** and agitate to dissolve. Add dry formulations and dissolve, follow by liquids. Bring to volume with water. After thorough mixing, allow this mixture to stand for 5 minutes. If the combination remains mixed or can be readily remixed, it is physically compatible. Once compatibility has been proven, use the same procedure for adding products to the spray tank.

**IMPORTANT NOTICE TO PURCHASER:** Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price, or to replace the quantity purchased, of any defective product. In no event shall Seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this product expressly acknowledges and agrees to these terms.
